Chester Center School

The present Chester Center School has been in existence since the year 1923. In August, 1923, students from ten other Chester Township Schools were consolidated into one school which was called Chester Center. Those ten one-room schools were: McCollister, Slacum, Noa, Mt. Zion, Red, Chester, Gavin, Maddox, Sheilds and Five Points.

The members of the first graduating class at Chester were: Doris Arnold, Myrtle Brinnetman, Chauncey Ladd, Mary Minnich, Gladys Smith, and Ruth Weaver.

During the 1956 school year a new Agriculture Building was erected near the present Chester building.

In the November election of 1962, the four southern townships, of Wells County voted to consolidate their schools.

On January 1, 1963, Chester Center, Liberty Center, Jackson Center, and Petroleum became known as Southern Wells Community Schools.
